■ Terms and illustrations in these instructions

In these instructions, the names and terms are referred as follows.

CAUTION : Conditions that may result in minor or moderate injury.

NOTE : Useful and helpful information.

- “Windows 10 Pro” as “Windows” or “Windows 10”

 -  (Settings): Touch  (Start) and then touch  (Settings).

 : Page in these Operating Instructions.

 : Reference to the on-screen manuals.

Please read these instructions carefully before using this product, and save this manual for future use.
Update the on-screen manuals.

Safety Precautions

To reduce the risk of injury, loss of life, electric shock, fire, malfunction, and damage to equipment or property, always observe the following safety precautions.

Explanation of symbol word panels

The following symbol word panels are used to classify and describe the level of hazard, injury, and property damage caused when the denotation is disregarded and improper use is performed.

| |
|---|
|  DANGER |
| Denotes a potential hazard that will result in serious injury or death. |

| |
|--|
|  WARNING |
| Denotes a potential hazard that could result in serious injury or death. |

| |
|--|
|  CAUTION |
| Denotes a hazard that could result in minor injury. |

| |
|--|
| NOTICE |
| Denotes a hazard that could result in property damage. |

The following symbols are used to classify and describe the type of instructions to be observed.

| | |
|---|---|
|  | This symbol is used to alert users to a specific operating procedure that must not be performed. |
|  | This symbol is used to alert users to a specific operating procedure that must be followed in order to operate the unit safely. |

DANGER

Precautions on the Battery Pack

Electrolyte leakage, generation of heat, ignition or rupture of the Battery Pack may result.

- **Do Not Throw the Battery Pack into a Fire or Expose It to Excessive Heat**
- **Do Not Deform, Disassemble, or Modify the Battery Pack**
- **Do Not Short the Positive (+) and Negative (-) Contacts**
 - ⇒ Do not place the battery pack together with articles such as necklaces or hairpins when carrying or storing.
- **Do Not Apply Shocks to the Product by Dropping It, Applying Strong Pressure to It, etc.**
 - ⇒ If this product is subjected to a strong impact, remove the battery pack from the computer immediately.
- **Do Not Charge the Battery Using Methods Other Than Those Specified**
- **Do Not Use the Battery Pack with Any Other Product**
 - The battery pack is rechargeable and was intended for the specified product.
- **Do Not Use This Product with a Battery Pack Other Than the One Specified**
 - ⇒ Use only the specified battery pack with your product.

- **Avoid Extreme Heat (Near the Fire, in Direct Sunlight, for Example)**
- **If a Malfunction or Trouble Occurs, Immediately Stop Use**
- **When the Battery Pack Has Deteriorated or If Abnormal Swelling Occur, Replace It With a New One**
 - ⇒ Do not continue to use a damaged battery pack.
 - ⇒ If the battery pack appears to be damaged or deformed, or if it emits smoke, abnormal odor, excessive heat, or other abnormality, remove it from the computer immediately.

DANGER

Precautions on the Built-in Bridge Battery (for disposal)

<Only for model with Built-in Bridge Battery>
When disposing the battery, generation of heat, ignition or rupture of the Built-in Bridge Battery may result.

Handling This Computer

- Do Not Disassemble the Computer Except When Disposing of It
- Handling the Built-in Bridge Battery
- Do Not Short the Positive (+) and Negative (-) Contacts
- Do Not Throw the Battery into a Fire or Expose It to Excessive Heat
- Do Not Apply Shocks to the Built-in Bridge Battery by Dropping It, Applying Strong Pressure to It, etc.
- Do Not Charge
- Do Not Use
- Do Not Deform, Disassemble, or Modify the Built-in Bridge Battery

- Avoid Extreme Heat (Near the Fire, in Direct Sunlight, for Example)

WARNING

<Only for model with Built-in Bridge Battery>
Generation of heat, ignition or rupture of the Built-in Bridge Battery may result.

- Do Not Throw This Product Into a Fire or Expose It to Excessive Heat
- Do Not Deform, Disassemble, or Modify This Product
- Do Not Apply Shocks to the Product by Dropping It, Applying Strong Pressure to It, etc.
- Do Not Charge the Battery Using Methods Other Than Those Specified

- Avoid Extreme Heat (Near the Fire, In Direct Sunlight, for Example)
- When the Built-in Bridge Battery Has Deteriorated or If Abnormal Swelling Occur, Contact Your Technical Support Office to Replace the Battery

Fire or electric shock may result.

- Do Not Do Anything That May Damage the AC Cord, the AC Plug, or the AC Adaptor
Do not damage or modify the cord, place it near hot tools, bend, twist, or pull it forcefully, place heavy objects on it, or bundle it tightly.

⇒ Do not continue to use a damaged AC cord, AC plug and AC adaptor.

- Contact your technical support office for repair.

- Do Not Connect the AC Adaptor to a Power Source Other Than a Standard Household AC Outlet

⇒ Connecting to a DC/AC converter (inverter) may damage the AC adaptor. On an airplane, only connect the AC adaptor/charger to an AC outlet specifically approved for such use.

- Do Not Pull or Insert the AC Plug If Your Hands Are Wet

- Do Not Disassemble This Product

- No user serviceable parts inside this unit. Refer servicing to qualified technician.

- Do Not Touch This Product In a Thunderstorm If Connected with the AC Cable or Any Other Cables

Safety Precautions

WARNING

- **If a Malfunction or Trouble Occurs, Immediately Stop Use**
If the Following Malfunction Occurs, Immediately Unplug the AC Plug and the Battery Pack
 - This product is damaged
 - Foreign object inside this product
 - Smoke emitted
 - Unusual smell emitted
 - Unusually hot⇒ After the above procedure, contact your technical support office for repair.
- **Clean Dust and Other Debris of the AC Plug Regularly**
 - If dust or other debris accumulates on the plug, humidity, etc. may cause a defect in the insulation.
- **Insert the AC Plug Completely**
 - ⇒ Do not use a damaged plug or loose AC outlet.
- **Close the Connector Cover Tightly When Using This Product Where is a Lot of Water, Moisture, Steam, Dust, Oily Vapors, etc.**
 - ⇒ If foreign matter has found its way inside, immediately turn the power off and unplug the AC cord, and then remove the battery pack. Then contact your technical support office.
- **Turn the Power off Beforehand when Entering Locations, Such as a Gas Station Where Inflammable Gases Are Generated**
 - Such gases may be ignited.

Burns or low-temperature burns may result.

- **Do Not Use This Product in Close Contact With Your Body For a Long Period of Time**
 - ⇒ Do not use this product with its heat-emitting parts in close contact with your body for a long period of time.
 - Low-temperature burns may result.
- **Do Not Expose Yourself or Other Persons to the Hot Wind from the Ventilation Hole (Exhaust) For a Long Period of Time**
 - Depending on the direction of the computer or the way you hold the computer, your hands and body will be more exposed to the hot wind.
 - Covering the ventilation hole (exhaust) with your hand or other object can cause heat to build up inside, possibly resulting in burns.
- **Do Not Touch The Surface of The AC Adaptor Continuously While Using/Charging**
 - Burns may result.
- **Do Not Place the Product in a Bag or Case While It is Turned On**
 - Doing so may cause the product to overheat and result in burns.

Detrimental health effects on your body may result.

- **Do Not Turn the Volume Up Too Loud When Using Headphones**
 - Listening at high volumes that overstimulate the ear for long periods of time may result in loss of hearing.
- <Only for model with wireless WAN>
- **Do Not Leave a nanoSIM Card Within Reach of Infants**
 - In case of swallowing, consult a doctor immediately.

WARNING

Radio waves transmitted from this product may affect the surrounding area.

■ Do Not Use This Product near Automatic Control Devices, Such As Automatic Doors And Fire Alarms

- Automatic control devices may malfunction, resulting in accidents.

■ Turn the Power Off on an Airplane^{*1}

- ⇒ For use on a plane, follow the airline's instructions.
- The safety of navigation may be compromised.

■ Turn the Power Off in Hospitals or at Locations Where Medical Equipment is Present^{*1}

- ⇒ Do not bring this product into operating rooms, intensive care units, CCU, etc.^{*2}
- Medical electrical equipment may be affected, and malfunction may occur, resulting in accidents.

■ Turn the Power Off in Crowded Locations, Such As a Crowded Train, Where There May Be a Person with a Cardiac Pacemaker

- The operation of a pacemaker may be affected.

■ Keep This Product at Least 15 cm Away from the Position of an Implantable Pacemaker

- The operation of a pacemaker may be affected.

^{*1} If there is no choice but to use this product in such an environment, turn the wireless capability off. However, bear in mind that use of a computer may be prohibited during takeoff and landing of an aircraft, etc. even if the wireless capability is turned off.

^{*2} CCU is an abbreviated term of Coronary Care Unit.

CAUTION

Fire or electric shock may result.

■ Do Not Move This Product While the AC Plug Is Connected

- ⇒ If the AC cord is damaged, unplug the AC plug immediately.

■ Do Not Subject the AC Adaptor To Any Strong Impact

- ⇒ Do not continue to use the AC adaptor after a strong impact such as being dropped.
- ⇒ Contact your technical support office for repair.

<Only for model with LAN>

■ Do Not Connect a Telephone Line, or a Network Cable Other Than the One Specified, Into the LAN Port

- ⇒ Do not connect to a network such as the ones listed below.
- Networks other than 1000BASE-T, 100BASE-TX or 10BASE-T
- Phone lines (IP phone (Internet Protocol Telephone), Telephone lines, internal phone lines (on-premise switches), digital public phones, etc.)

■ Do Not Leave This Product in High Temperature Environment for a Long Period of Time

- Leaving this product where it will be exposed to extremely high temperatures such as near fire or in direct sunlight may deform the cabinet and/or cause trouble in the internal parts.

■ Do Not Block the Ventilation Hole (Exhaust/Intake)

- ⇒ Do not use this product wrapped in cloth or on top of bedding or a blanket.

Safety Precautions

CAUTION

Fire or electric shock may result.

- **Hold the Plug When Unplugging the AC Plug**
- **Use Only the Specified AC Adaptor With This Product**
 - ⇒ Do not use an AC adaptor other than the one supplied (supplied with the unit or one sold separately as an accessory).

This product may fall over or drop, resulting in an injury.

- **Do Not Place This Product on Unstable Surfaces**

- **Avoid Stacking**

Detrimental health effects on your body may result.

- **Take a Break Of 10-15 Minutes Every Hour**
 - Using this product for long periods of time may have detrimental health effects on the eyes or hands.

Burns, low-temperature burns, or frost-bite may result.

- **Do Not Expose the Skin To This Product When Using the Product In A Hot Or Cold Environment**
 - ⇒ When it is necessary to expose the skin to this product such as to scan a fingerprint, perform the operation in the shortest time possible.

NOTICE

- Do not place the computer near a television or radio receiver.
- Keep the computer away from magnets. Data stored on the flash memory may be lost.
- This computer is not intended for the display of images for use in medical diagnosis.
- This computer is not intended for a use with connection of medical equipment for the purpose of medical diagnosis.
- Panasonic shall not be liable for loss of data or other incidental or consequential damages resulting from the use of this product.
- Do not touch the terminals on the battery pack. The battery pack may no longer function properly if the contacts are dirty or damaged.
- Do not expose the battery pack to water, or allow it to become wet.
- If the battery pack will not be used for a long period of time (a month or more), charge or discharge (use) the battery pack until the remaining battery level becomes 30% to 40% and store it in a cool, dry place.
- This computer prevents overcharging of the battery by recharging only when the remaining power is less than approx. 95% of capacity.
- The battery pack is not charged when the computer is first purchased. Be sure to charge it before using it for the first time. When the AC adaptor is connected to the computer, charging begins automatically.
- Should the battery leak and the fluid get into your eyes, do not rub your eyes. Immediately flush your eyes with clear water and see a doctor for medical treatment as soon as possible.

NOTE

- The battery pack may become warm during recharging or normal use. This is completely normal.
- Recharging will not commence if internal temperature of the battery pack is outside of the allowable temperature range (0 °C to 50 °C). (➔  **OPERATING INSTRUCTIONS - Reference Manual** “Basic Operation” “Battery Power”) Once the allowable range requirement is satisfied, charging begins automatically. Note that the recharging time varies based on the usage conditions. (Recharging takes longer than usual when the temperature is 10 °C or below.)
- If the temperature is low, the operating time is shortened. Only use the computer within the allowable temperature range.
- The battery pack is a consumable item. If the amount of time the computer can be run by using a particular battery pack becomes dramatically shorter and repeated recharging does not restore its performance, the battery pack should be replaced with a new one.
- When transporting a spare battery inside a package, briefcase, etc., it is recommended that it be placed in a plastic bag so that its contacts are protected.
- Always power off the computer when it is not in use. Leaving the computer on when the AC adaptor is not connected will exhaust the remaining battery capacity.
- <Only for model with Built-in Bridge Battery> To minimize deterioration of the built-in bridge battery, connect the computer to the AC adaptor and recharge it for approximately 2 hours about once every year.

THIS PRODUCT IS NOT INTENDED FOR USE AS, OR AS PART OF, NUCLEAR EQUIPMENT/SYSTEMS, AIR TRAFFIC CONTROL EQUIPMENT/SYSTEMS, AIRCRAFT COCKPIT EQUIPMENT/SYSTEMS, MEDICAL DEVICES OR ACCESSORIES^{*3}, LIFE SUPPORT SYSTEMS OR OTHER EQUIPMENTS/DEVICES/SYSTEMS THAT ARE INVOLVED WITH ENSURING HUMAN LIFE OR SAFETY. PANASONIC WILL NOT BE RESPONSIBLE FOR ANY LIABILITY RESULTING FROM THE USE OF THIS PRODUCT ARISING OUT OF THE FOREGOING USES.

^{*3} As defined by the European Medical Device Directive (MDD) 93/42/EEC.

Panasonic cannot guarantee any specifications, technologies, reliability, safety (e.g. Flammability/Smoke/Toxicity/Radio Frequency Emission, etc.) requirements related to aviation standards that exceed the specifications of our COTS (Commercial-Off-The-Shelf) products.

Regulatory Information

Information to the User

<Only for model with wireless LAN/Bluetooth>

This product and your Health

This product, like other radio devices, emits radio frequency electromagnetic energy. The level of energy emitted by this product however is far much less than the electromagnetic energy emitted by wireless devices like for example mobile phones.

Because this product operates within the guidelines found in radio frequency safety standards and recommendations, we believe this product is safe for use by consumers. These standards and recommendations reflect the consensus of the scientific community and result from deliberations of panels and committees of scientists who continually review and interpret the extensive research literature.

In some situations or environments, the use of this product may be restricted by the proprietor of the building or responsible representatives of the organization. These situations may for example include:

- Using this product on board of airplanes, or
- In any other environment where the risk of interference to other devices or services is perceived or identified as harmful.

If you are uncertain of the policy that applies on the use of wireless devices in a specific organization or environment (e.g. airports), you are encouraged to ask for authorization to use this product prior to turning on the product.

Regulatory Information

We are not responsible for any radio or television interference caused by unauthorized modification of this product. The correction of interference caused by such unauthorized modification will be the responsibility of the user. We and its authorized resellers or distributors are not liable for damage or violation of government regulations that may arise from failing to comply with these guidelines.

26-M-1

Laser Devices Caution

<Only for model with the following label on the computer>

CAUTION!

THIS PRODUCT UTILIZES A LASER.

USE OF CONTROLS, ADJUSTMENTS OR PERFORMANCE OF PROCEDURES OTHER THAN THOSE SPECIFIED HEREIN MAY RESULT IN HAZARDOUS RADIATION EXPOSURE.

DO NOT OPEN COVERS AND DO NOT REPAIR YOURSELF.

REFER SERVICING TO QUALIFIED PERSONNEL.

12-E-1

The following label is put on the computer.

Regulations for Wireless LAN / Bluetooth

<Only for model with wireless LAN/Bluetooth>

| Country / Region | 802.11a | 802.11b/g Bluetooth |
|--|--|---|
| Austria, Belgium, Croatia, Cyprus, Czech Republic, Denmark, Estonia, Finland, France, Germany, Greece, Hungary, Iceland, Ireland, Latvia, Lithuania, Luxembourg, Macedonia, Malta, Netherlands, Poland, Portugal, Slovakia, Slovenia, Spain, Sweden, Switzerland, United Kingdom | Restricted to indoor use. | |
| Italy | Restricted to indoor use. General authorization required if used outside. | General authorization required if used outside of own premises. |
| Norway | Restricted to indoor use. | Prohibited within a 20 km radius from the centre of Ny-Ålesund. |

- The latest version of “ERC RECOMMENDATION 70-03” by European Radiocommunications Committee and the regulation in Turkey.
- Use only the antenna specified by Panasonic.
- Confirm the latest information to the radio regulation authorities.

40-E-1

Lithium Battery

Lithium Battery!

This computer contains a lithium battery to enable the date, time, and other data to be stored. The battery should only be exchanged by authorized service personnel.

Warning!

A risk of explosion from incorrect installation or misapplication may possibly occur.

15-E-1

Regulatory Information

Disposal of Old Equipment and Batteries Only for European Union and countries with recycling systems

These symbols on the products, packaging, and/or accompanying documents mean that used electrical and electronic products and batteries must not be mixed with general household waste. For proper treatment, recovery and recycling of old products and batteries, please take them to applicable collection points in accordance with your national legislation. By disposing of them correctly, you will help to save valuable resources and prevent any potential negative effects on human health and the environment.

For more information about collection and recycling, please contact your local municipality. Penalties may be applicable for incorrect disposal of this waste, in accordance with national legislation.

Note for the battery symbol (bottom symbol):

This symbol might be used in combination with a chemical symbol. In this case it complies with the requirement set by the Directive for the chemical involved.

36-E-1

Energy Star

| | |
|---|--|
| <Only for model with the above logo on the computer> | <p>As an ENERGY STAR® Partner, Panasonic Corporation has determined that this product meets ENERGY STAR® guidelines for energy efficiency. By enabling available power management settings, Panasonic computers enter a low-power sleep mode after a period of inactivity, saving the user energy.</p> <p>Outline of the International ENERGY STAR® Office Equipment Program</p> <p>The international ENERGY STAR® Office Equipment Program is an international program that promotes energy saving through the use of computers and other office equipment. The program backs the development and dissemination of products with functions that effectively reduce energy consumption. It is an open system in which business proprietors can participate voluntarily. The targeted products are office equipment such as computers, displays, printers, facsimiles, and copiers. Their standards and logos are uniform among participating nations.</p> |
| <Only for model without the above logo on the computer> | <p>This model is not applied to the ENERGY STAR® Office Equipment Program.</p> |

22-E-2

Interface Cable

Use of an interface cable longer than 3 m is not recommended.

11-E-1

<Only for model with wireless WAN>

When utilizing the wireless functionality, it requires a minimum 5 mm spacing from the body (excluding extremities such as hands, wrist and feet) around the upside of the LCD display.

60-E-2-1

Battery Pack

CAUTION:

Risk of Explosion if Battery is replaced by an Incorrect Type. Dispose of Used Batteries According to the Instructions.

58-E-1

| | | |
|--------------------------------|--|--|

For Used in Motor Vehicle

Warning: Check the following Commission Recommendation to determine proper installation and usage of this product while operating within a motor vehicle.

"Commission Recommendation on safe and efficient in-vehicle information and communication systems: A European statement of principles on human machine interface."

Commission Recommendation is available from Official Journal of the European Communities.

35-E-1

When using Port Replicator or Car Mounter on which an external antenna can be installed:

- External antenna for wireless LAN must be professionally installed.
- The gain of external antenna for wireless LAN must not exceed 5 dBi.
- The user must maintain minimum of 20 cm spacing between the external antenna and all people (excluding extremities of hands, wrist and feet) during wireless modes of operation.

41-E-1-1

For UK

For your safety, please read the following text carefully.

This appliance is supplied with a molded three pin mains plug for your safety and convenience.

A 3 ampere fuse is fitted in this plug.

Should the fuse need to be replaced please ensure that the replacement fuse has a rating of 3 ampere and that it is approved by ASTA or BSI to BS1362.

Check for the ASTA mark  or the BSI mark  on the body of the fuse.

If the plug contains a removable fuse cover you must ensure that it is refitted when the fuse is replaced.

If you lose the fuse cover the plug must not be used until a replacement cover is obtained. A replacement fuse cover can be purchased from your local dealer.

If the fitted molded plug is unsuitable for the socket outlet in your home then the fuse should be removed and the plug cut off and disposed of safely.

There is a danger of severe electrical shock if the cut off plug is inserted into any 13-ampere socket.

How to replace the fuse

The location of the fuse differs according to the type of AC mains plug (figures A and B).

Confirm the AC mains plug fitted and follow the instructions below. Illustrations may differ from actual AC mains plug.

Open the fuse cover with a screwdriver and replace the fuse and close or attach the fuse cover.

8-E-1

For Turkey

Accordance with the WEEE Regulation.

Disposal of Old Equipment and Batteries Only for European Union and countries with recycling systems

These symbols on the products, packaging, and/or accompanying documents mean that used electrical and electronic products and batteries must not be mixed with general household waste.

For proper treatment, recovery and recycling of old products and batteries, please take them to applicable collection points in accordance with your national legislation.

By disposing of them correctly, you will help to save valuable resources and prevent any potential negative effects on human health and the environment. For more information about collection and recycling, please contact your local municipality.

Penalties may be applicable for incorrect disposal of this waste, in accordance with national legislation.

Regulatory Information

For Australia

For Used in Motor Vehicle

Warning: Notebook Computer may be installed in a motor vehicle and visible to the driver only if used to support vehicle related functions such as vehicle information, system control, rear or side observation and navigation. If the Notebook Computer is to be used for work or entertainment purposes, such as television reception, video play or other work programs, it must be installed in a position where it will NOT:

- (a) be visible, directly or indirectly, to the operator of the motor vehicle; or
- (b) cause distraction to drivers of other motor vehicles.

Check with individual state laws to determine lawful use of this product while operating within a motor vehicle. If the visual display unit is, or is part of, a driver's aid, above rule is not applied. "Driver's aid" includes closed-circuit television security cameras, dispatch systems, navigational or intelligent highway and vehicle system equipment, rear view screens, ticket-issuing machines and vehicle monitoring devices.

35-A-1

For India

Declaration of Conformity with the requirements of the E-Waste (Management) Rules

The Product is in conformity with the requirements of the reduction of hazardous substances of the E-Waste Rules.

The content of hazardous substance with the exemption of the applications listed in SCHEDULE II of the E-waste Rules:

1. Lead (Pb) - not over 0.1% by weight;
2. Cadmium (Cd) - not over 0.01% by weight;
3. Mercury (Hg) - not over 0.1% by weight;
4. Hexavalent chromium (Cr6+) - not over 0.1% by weight;
5. Polybrominated biphenyls (PBBs) - not over 0.1% by weight;
6. Polybrominated diphenyl ethers (PBDEs) - not over 0.1% by weight.

For the purpose of recycling to facilitate effective utilization of resources, please return this product to a nearby authorized collection center, registered dismantler or recycler, or Panasonic service center when disposing of this product.

Please see the Panasonic website for further information on collection centers, etc. , or call the toll-free number below.

First-time Operation

■ Preparation

- ① Check and identify the supplied accessories.
If you do not find the described accessories, contact your support office.

• AC Adaptor. . . 1

Model No: CF-AA6413A

• AC Cord 1

• Battery Pack 1

Model No: FZ-VZSU84A2U
or FZ-VZSU88U

• Digitizer pen. 1

• Tether 1

• Soft Cloth . . . 1

• Hand Strap^{*1} 1

• OPERATING INSTRUCTIONS - Read Me First (This book) 1

^{*1} Not included with some models.

■ Latest Information on Windows 10

When Microsoft Windows 10 is updated, the screen display or operation procedures may be changed.

For the latest information on Windows 10, see the following web page.

<http://pc-dl.panasonic.co.jp/itn/addendum/>

1 Inserting the Battery Pack

Turn over the computer and insert the battery pack (①) until it touch to the secured position (②).

- Make sure no foreign objects are under the computer.

CAUTION

- Make sure the latch is securely locked. Otherwise the battery pack may fall when you carry the computer.
- Do not touch the terminals of the battery pack and the computer. Doing so can make the terminals dirty or damaged, and may cause malfunction of the battery pack and the computer.

First-time Operation

2

2 Attaching the pen (included) to the computer

Use the tether to attach the pen (included) to the computer so you will not lose it. Remove the pen from the computer, and then perform the following steps to attach the tether to the pen (① and ②) and the computer (③ and ④).

- ① Pass one of the loops through the hole.

- ② Pass one of the loops through another loop.

- ③ Thread the second loop on the tether through the hole (A) as illustrated.

- ④ Pass the pen and tether through the second loop.

CAUTION

- Do not pull the tether with excessive force. The pen (included) may hit the computer, person's body or other objects when released.

3

3 Connect your computer to a power outlet

- ① Open the cover.
② Connect your computer to a power outlet.
The battery charging starts automatically.

CAUTION

- Do not disconnect the AC adaptor until the first-time operation procedure is completed.
- When using the computer for the first time, do not connect any peripheral device (including wired LAN cable) except the battery pack and AC adaptor.
- Handling the AC adaptor**
 - Problems such as sudden voltage drops may arise during periods of thunder and lightning. Since this could adversely affect your computer, an uninterruptible power source (UPS) is highly recommended unless running from the battery pack alone.

4

4 Turn on the computer

Press and hold the power switch (D) until the power indicator (C) lights.

CAUTION

- Do not press the power switch repeatedly or do not hold the power switch for four seconds or longer.

5 Setup Windows

Follow the on-screen instructions.

- The computer restarts several times.
- After the computer is turned on, the screen remains black or unchanged for a while, but this is not a malfunction. Wait for a moment until the Windows setup screen appears.
- Setup of Windows will take approximately 5 minutes.
Go to the next step, confirming each message on the display.
- You can set the Wireless Network after the setup of Windows is complete.
If “Let’s connect you to a network” is displayed, select [Skip for now].
- We recommend that you set the password after the setup of Windows in complete.

CAUTION

- You can change the user name, image and security setting after setup of Windows.
- Use standard characters as a computer name: numbers 0 through 9, uppercase and lowercase letters from A to Z, and the hyphen (-) character. Do not use the following words and characters for user name: CON, PRN, AUX, CLOCK\$, NUL, COM1 to COM9, LPT1 to LPT9, LPT, &, space.
If the error message “The computer name is not valid” appears, check if characters other than the above are not entered. If the error message still remains on the display, set the key entry mode to English (“ENG”) and enter characters.

6 Restart the computer

- ① Touch  (Start).
 - ② Touch  (Power) - [Restart].
- A portion of the Panasonic PC Settings Utility functions will be enabled after the computer restarts.

NOTE

- When the “Emergency notification setting” screen appears, read the on-screen messages carefully. Follow the on-screen instructions. You can set the “Emergency notification setting” after the setup of Windows is complete.

7 Update the on-screen manual

- ① Connect to the internet. Sign in to Windows as an administrator.
For further information, refer to  *Connect to a network*.
- ② Update the on-screen manual.
Touch  (Start) - [Panasonic PC Manual Selector].
Follow the on-screen instructions.

8 Create a recovery disc

A recovery disc allows you to install OS and restore its factory default condition, in case, the recovery partition of the flash memory is damaged. Refer to →  *OPERATING INSTRUCTIONS - Reference Manual* “Important Operation/Settings” “Create a Recovery Disc” about creating the disc.

NOTE

- To set the password, proceed as follows.
 - ① Touch  (Start) -  (Settings) - [Accounts] - [Sign-in options].
 - ② Touch [Add] under “Password”.
- Set the key entry mode to English (“ENG”) and enter characters.
The keyboard layout can be added or changed in the following steps.
 - ① Touch  (Start) -  (Settings) - [Time & language] - [Region & language].
 - ② Touch a language and touch [Options].
 - ③ Touch [Add a keyboard] and choose a keyboard from the list.
- Remember your password. If you forget the password, you cannot use Windows. Creating a password reset disk beforehand is recommended.
- **PC Information Viewer**
This computer periodically records the management information of the flash memory, etc. The maximum data volume for each record is 1024 bytes.
This information is only used for estimating the cause in the case when the flash memory goes down by any possibility. They are never sent to outside via network nor used for any other purpose except for the purpose described the above.
To disable the function, add the check mark for [Disable the automatic save function for management information history] in [Hard Disk Status] of PC Information Viewer, and touch [OK]. Then follow the on-screen instructions.
(→  *Operating Instructions - Reference Manual* “Troubleshooting” “Checking the Computer’s Usage Status”)
